PRESS RELEASE

BERGMANN ASSOCIATES GROWING IN PHILADELPHIA

King of Prussia, PA – March 30th, 2011 – Architecture Engineering firm Bergmann Associates is growing in the Philadelphia market and has recently moved into larger office space in King of Prussia's Machellmac Office Complex. Having more than doubled size in since 2009, Bergmann now has 29 full time staff members in its KOP office, featuring architects, engineers and interior designers. Even in a down economy last year, Bergmann managed to modestly grow in both size and revenue thanks to its diverse client base which includes TD Bank, Wegmans, WalMart, Kravco, and Simon Property Group. Bergmann now occupies 10,000 sq ft of newly renovated space located at: 1040 First Avenue, Suite 100, King of Prussia, PA.

Last year, Bergmann added several new key staff members including *Regional Office Manager* and Architect Sean O'Rourke, AIA, LEED. "Bergmann is well positioned for future growth in the Delaware Valley Region in the areas of retail design, rail engineering and land development work," commented O'Rourke. "We have some very talented people who know the local area and are very well respected in their disciplines."

Bergmann Associates is headquartered in Rochester, NY and has ten regional offices in NY, PA, MI and FL. Bergmann is projecting growth in 2011 and is presently seeking to fill several positions such as *Regional Business Segment Leader* for the Land Development Group and a *Business Segment Leader* for its Higher Education Design Studio.

About Bergmann Associates
