Central Michigan University Writing & Math Lab
Relocated the University’s writing center and math lab from office spaces on the fourth floor of the library to a prominent reading area on the third floor.

RIT Institute Hall
The new building includes a mechanical penthouse, and biomedical and chemical engineering laboratories for both teaching and research. LEED Gold Certification

University at Albany Campus Center
Bergmann provided architectural, interior design and engineering services for this 100,000 SF expansion designed to fit into the campus’ historic context.

Delivering Integrated Design Solutions for Higher Education Clients
Bergmann meets the needs of our higher education clients by offering an extensive range of integrated design and engineering services. Our process begins with an understanding of our clients’ programs, people and a shared passion for education. Bergmann experts help clients maximize their existing resources, positioning institutions for success as they move into the 21st century.
